## Innovative & Research Leadership Summit (IRLS)

 **Date:** 28 September 2025 |  **Time:** 11:00 – 19:00  
 **Venue:** AIM Conference Center, Baku, Azerbaijan

### About the Summit

The **Innovative & Research Leadership Summit (IRLS)** is a premier international forum that unites researchers, academics, innovators, and entrepreneurs to discuss the future of science, research, and innovation.

Organized by **MetaWay** in collaboration with the **Azerbaijan Innovation Center (AIM)** and global partners, IRLS provides a dynamic platform to exchange ideas, foster collaborations, and inspire leadership in research and innovation.

## Key Themes

- Cultivating **early research skills** – building research habits from a young age
- Research's **role in career growth** – the impact of research on academic and professional development
- **Global integration** – publishing in indexed journals and joining the international scientific community
- **Startup innovation** – how research-driven startups shape the innovation ecosystem
- **Leadership in research & innovation** – developing strategies for sustainable progress

## Who Should Attend?

- Students & Young Researchers
- Academics & University Leaders
- Startup Founders & Innovators
- Policymakers & Research Institutions
- Industry Professionals interested in R&D

## Why Attend?

- Gain insights from **global experts** in research and innovation
- Learn **practical skills** for publishing in high-impact journals
- **Network** with academics, startup founders, and policymakers
- Explore opportunities for **international collaboration**
- Be part of shaping the **future of research leadership**

## Organizers & Partners

- MetaWay
- Azerbaijan Innovation Center (AIM)
- Shusha Scientific Journal
- AI for Humanity
- Artificial Intelligence International Institute (AIII)
- InnovaScience
- Linguiverse – World of Linguistics
- Shusha Library Project
